

IMPORTANT ANNOUNCEMENT -- July 15, 2024

**FEBRUARY 21-23, 2025
ROCKLAND COMMUNITY COLLEGE**

You may have already heard the news that Peter Katz with Good Living Expositions recently announced the sale of his highly successful and longstanding Suburban Home Show to All Show Services, a longtime consumer show producer. .

We are thrilled to add this great event to our current portfolio which includes the New Jersey Home & Garden Show in Edison and Super Pet Expo which takes place annually in Edison and Chantilly, VA.

I will be producing the Suburban Home Show with a team of seasoned show industry veterans, Rick Dobson, Kate Peterson and Gail Schell. Many exhibitors and partners already know us from our highly successful New Jersey Home & Garden Show which we purchased from Peter's father and my mentor, Gary Katz, in 2011.

Rick Dobson will contact Suburban Home Show vendors in the weeks ahead regarding next February's show with the floor plan and instructions on how to apply.

We are in the midst of building a new and dynamic website which will be launched in early August. And we have a new URL: www.thesuburbanhomeshow.com

We very much look forward to working together on the 2025 event and beyond. We assure you that our team is dedicated to making the transition as smooth as possible.

Welcome to the All Show Services family.

Sincerely,

Eric Udler
Producer
